Hi Brian,

I consolidated the McAlester and Radford files into one shared folder online. Here's the link to add photos and flight

logs: <https://drive.google.com/drive/folders/0B9oPK24Z5xt0VHZFOXdLR2RhR3c?usp=sharing>.

I believe this is shared with [BKGullett@gmail.com](mailto:BKGullett@gmail.com), so you'll need to access it using this account.

Thanks,  
Ron

Subject: Photos, Video and Flight Logs

Hi Brian,

I hope you had a great weekend. I'm currently preparing some material to report back on our McAlester flights, and am wondering if you send us the GoPro videos, ground videos and photos you took during our test flights. We usually use NASA's large file transfer (<http://itcd.hq.nasa.gov/LFT.html>), but I'm not sure if the EPA has something similar.

On my end, I'll work on consolidating all of our flights logs, and will send those to you as well. Thanks in advance.

Cheers,

Ron
